

This chapter is also fiction. Furthermore, there's something shown in the story that may make you uncomfortable if you're eating, so please be careful.

Kei Yuuki  
He's a guy,  
so he says  
stuff like  
"Damn it!"

Keizou  
Itsuki  
He looks like  
a grandfather  
who's getting  
pushed  
around by  
his grand-  
daughter.

CH. 114: COMPANIONSHIP ON THE ROAD

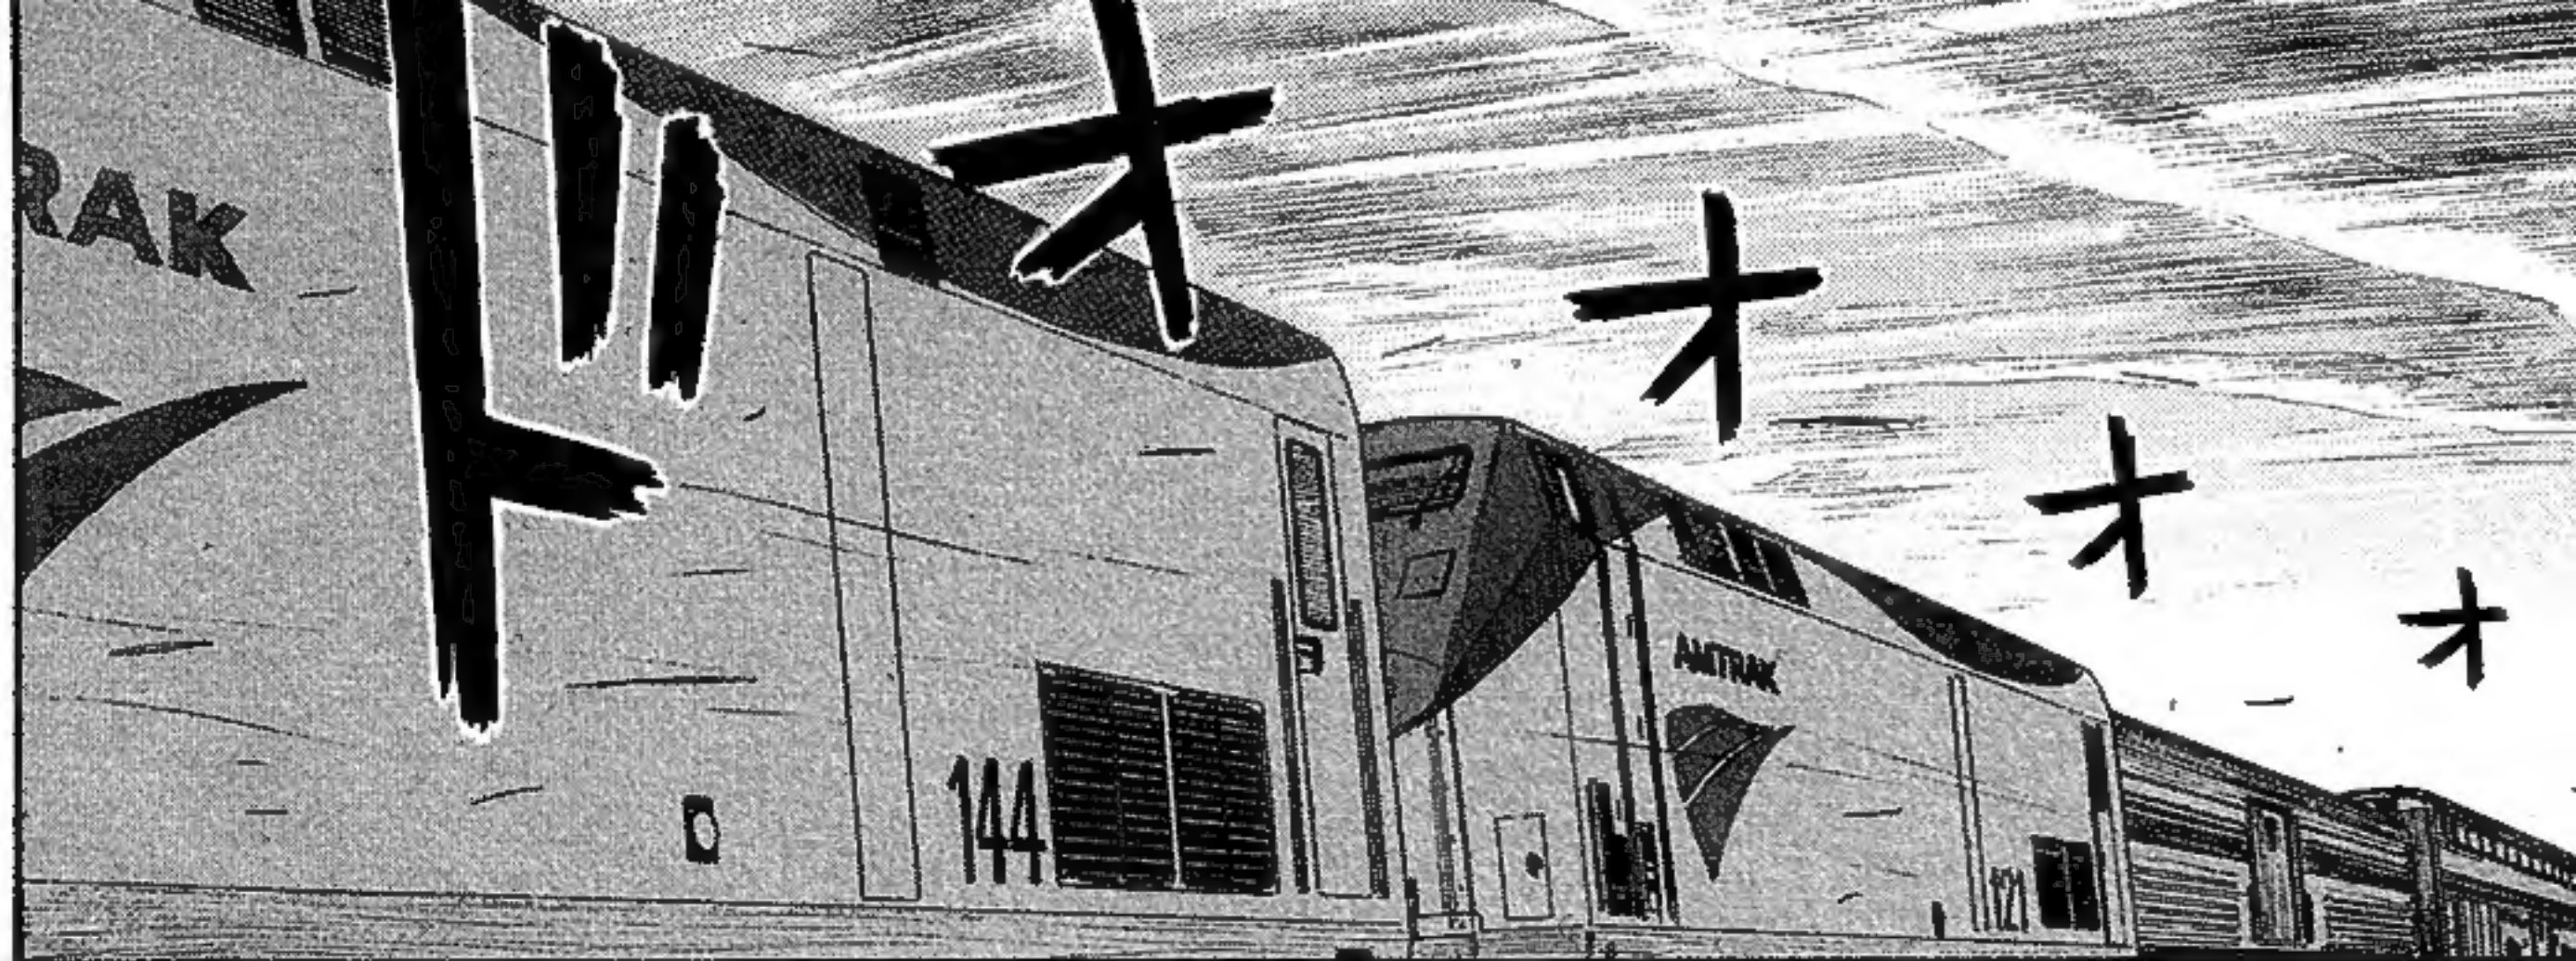

Oh no...

HA  
HA  
HA  
HA  
HA!

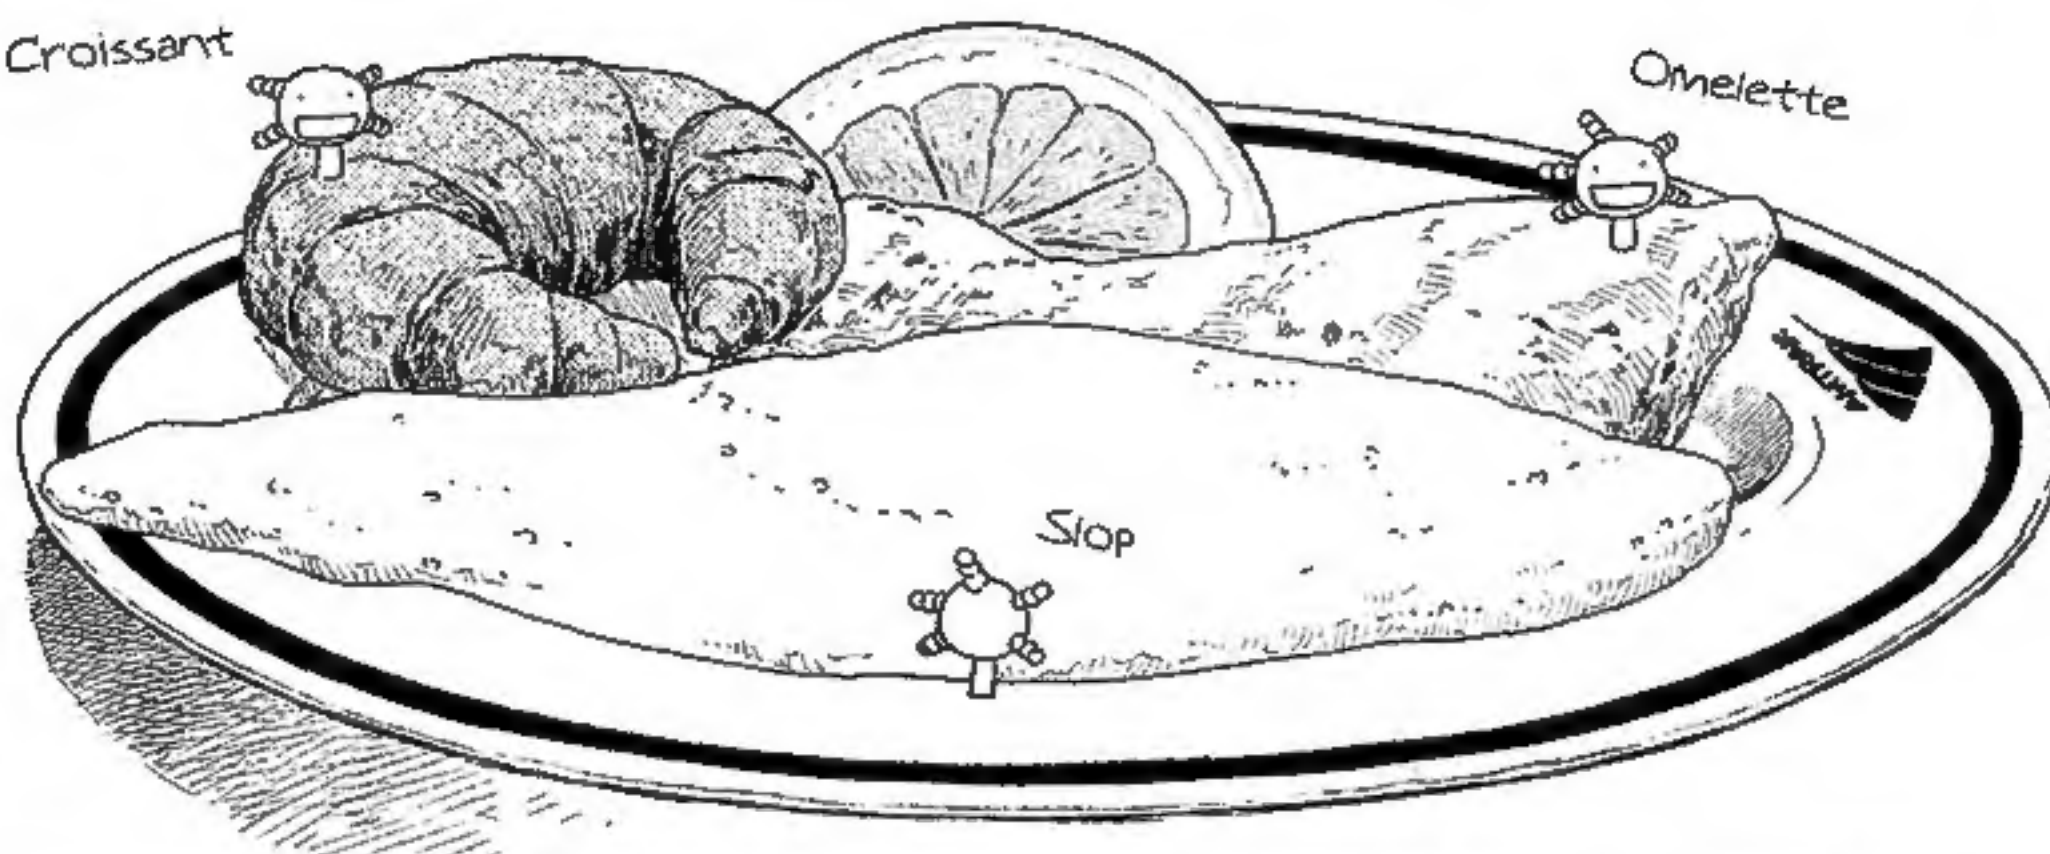

HA  
HA  
HA  
HA  
HA  
HA  
HA  
HA  
HA  
HA  
HA!

Croissant

Omelette

Slop

IT WAS  
PROBABLY  
MADE FROM  
CORN.

THIS  
IS GRITS  
MADE FROM  
GROUND UP  
GRAINS.

WHAT'S THIS  
PORRIDGE  
LIKE STUFF?

I CAN'T  
BELIEVE  
HOW BLAND  
IT IS...

Haruka  
Hasegawa

Grits is  
basically  
made by  
grinding up  
the white  
portion  
of corn  
that's been  
skinned.

JAM?  
THEY PUT  
JAM ON  
CORN!?

YOU EAT  
IT WITH  
JAM.

Slop

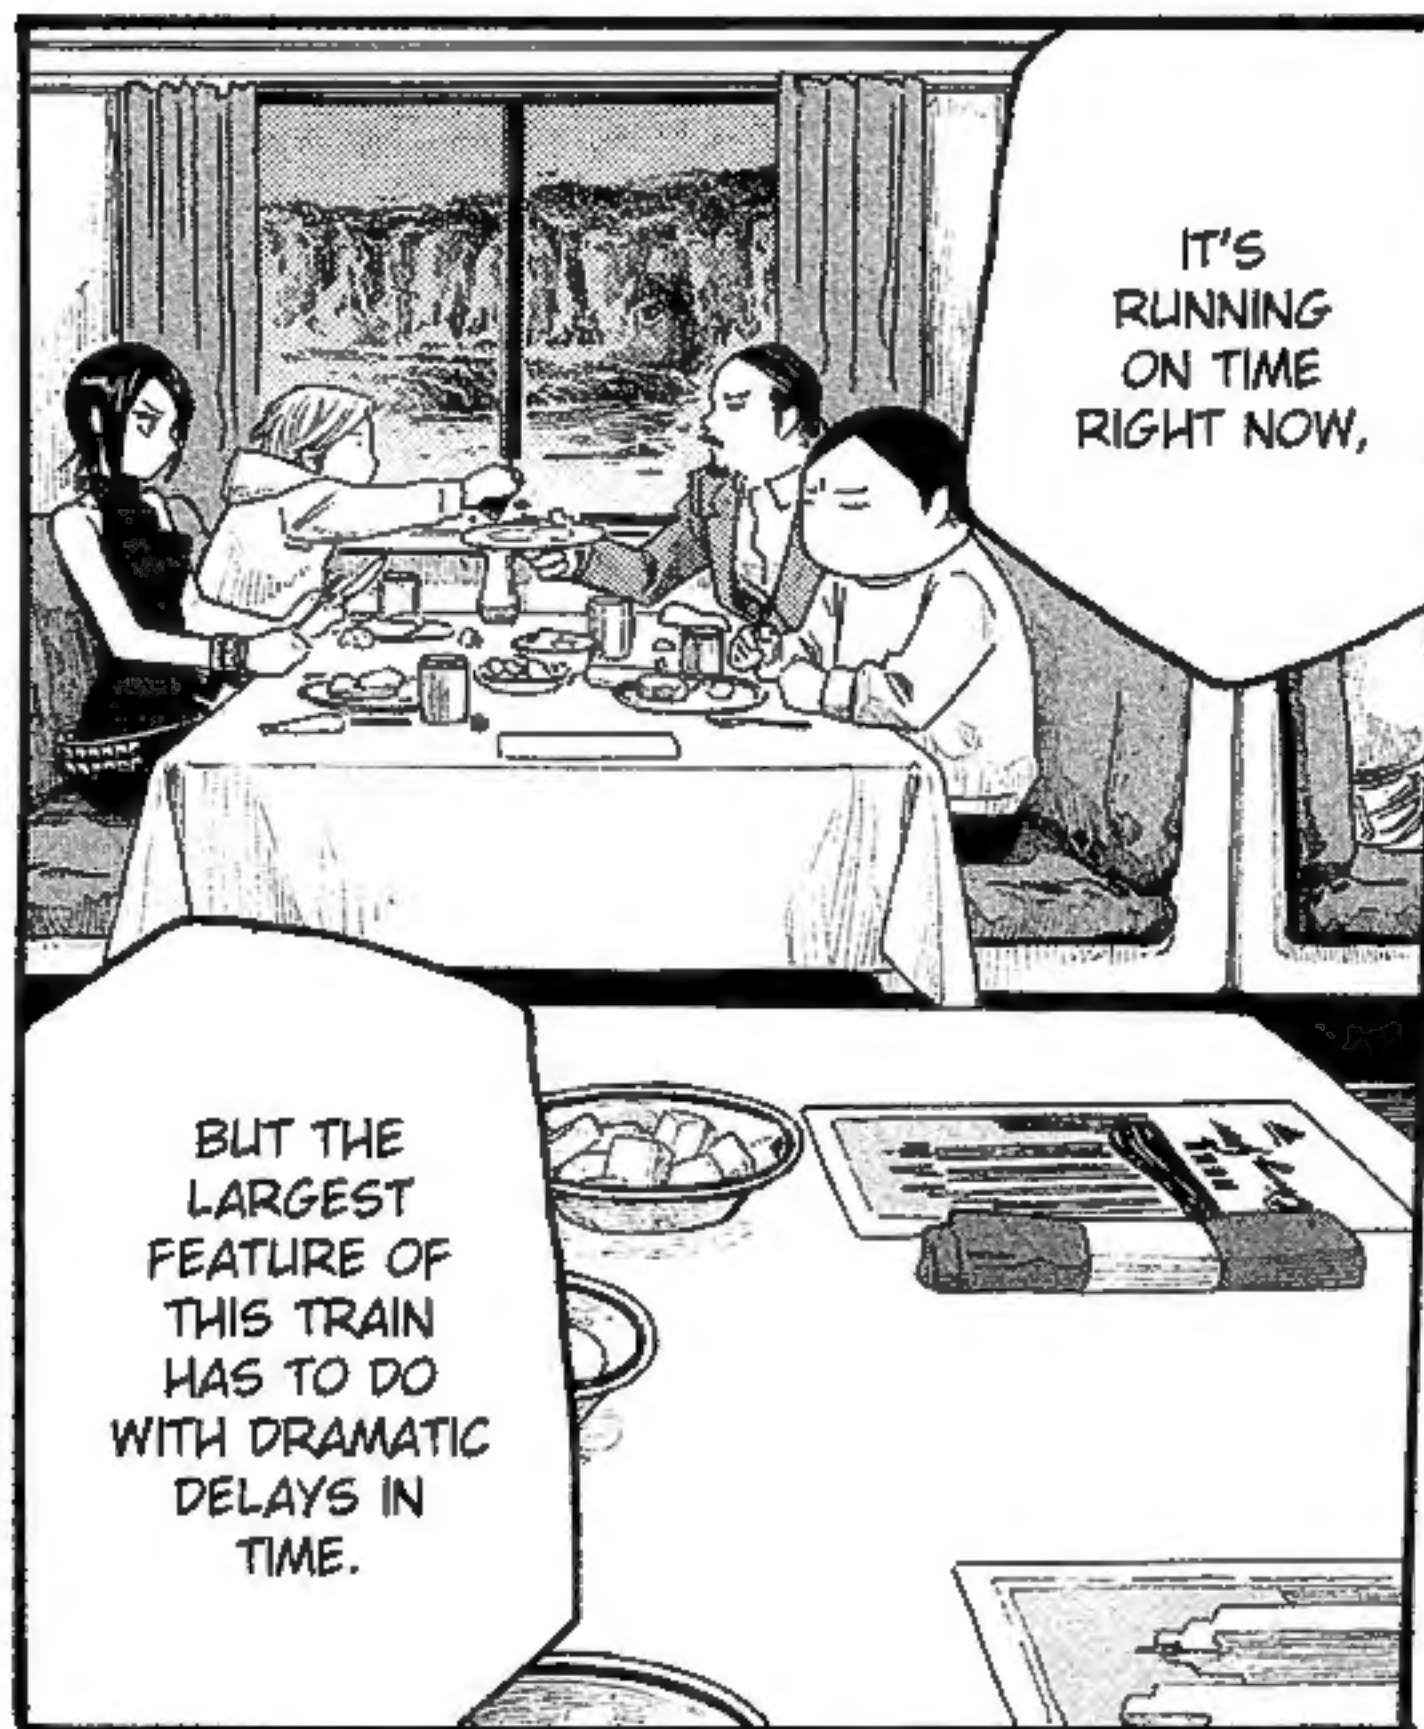

Good-luck charm

If A. oryzae and A. sojae are here, then it must be pure soy sauce.

Features are normally used for good things.

I'M NOW STARTING TO REALIZE THAT FAR FROM BEING REFINED, TRAVELING BY TRAIN IS JUST FILLED WITH PROBLEMS...

BUT THE LARGEST FEATURE OF THIS TRAIN HAS TO DO WITH DRAMATIC DELAYS IN TIME.

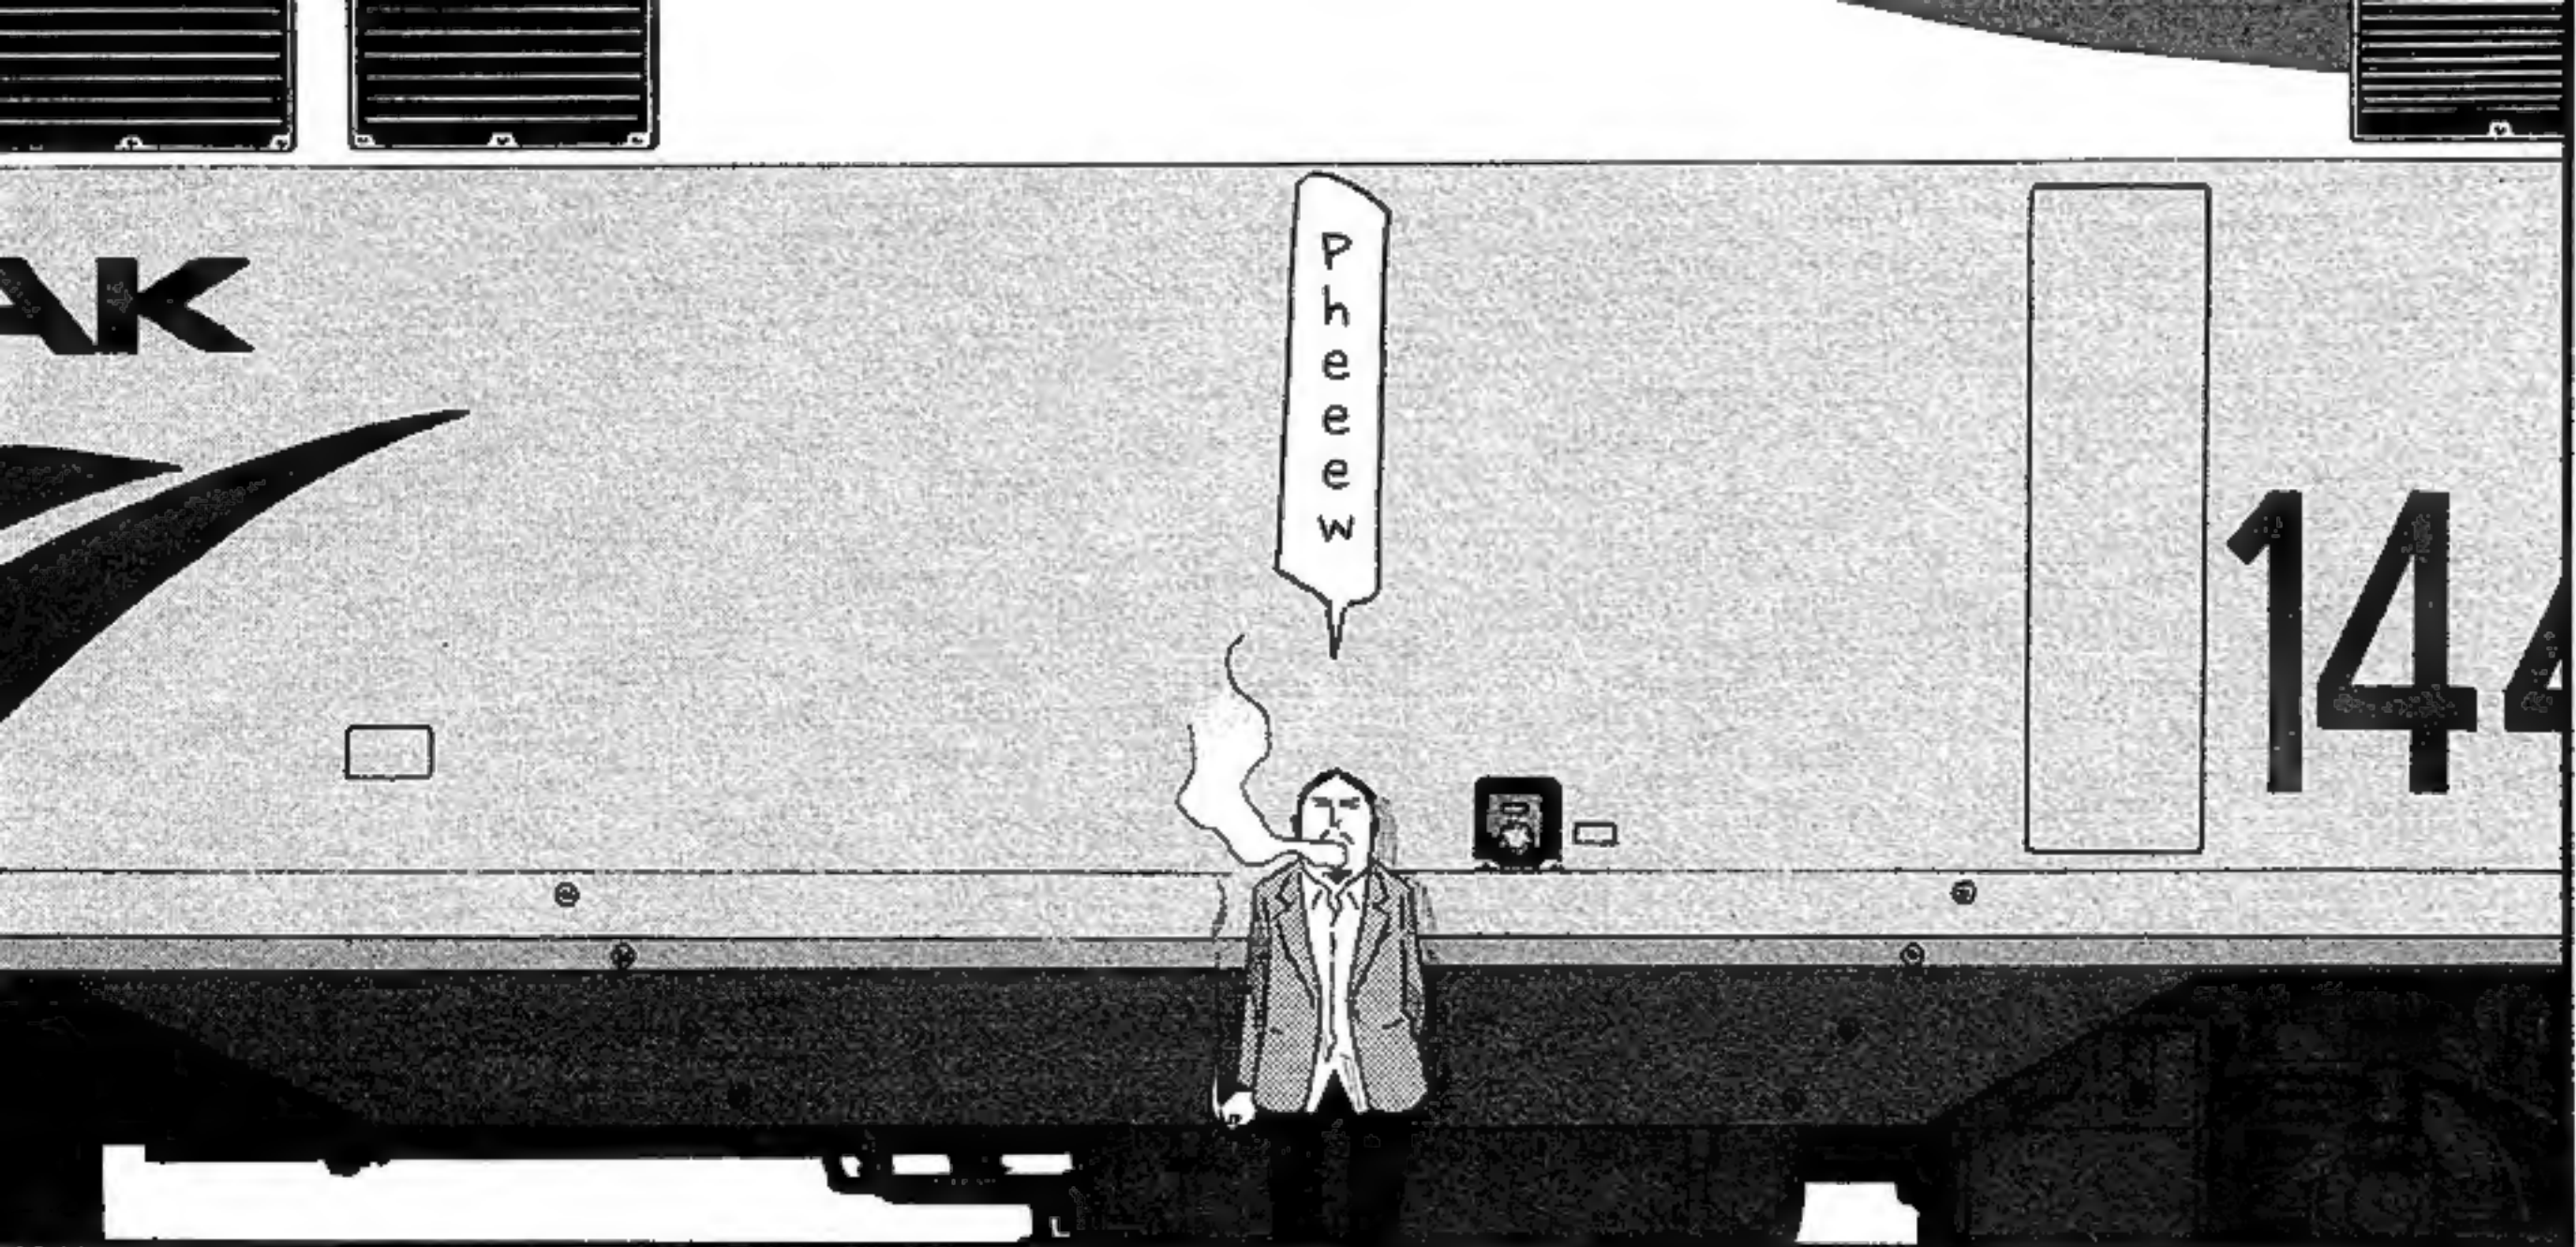

A foot button is convenient when both of your hands are occupied.

Kaoru Misato

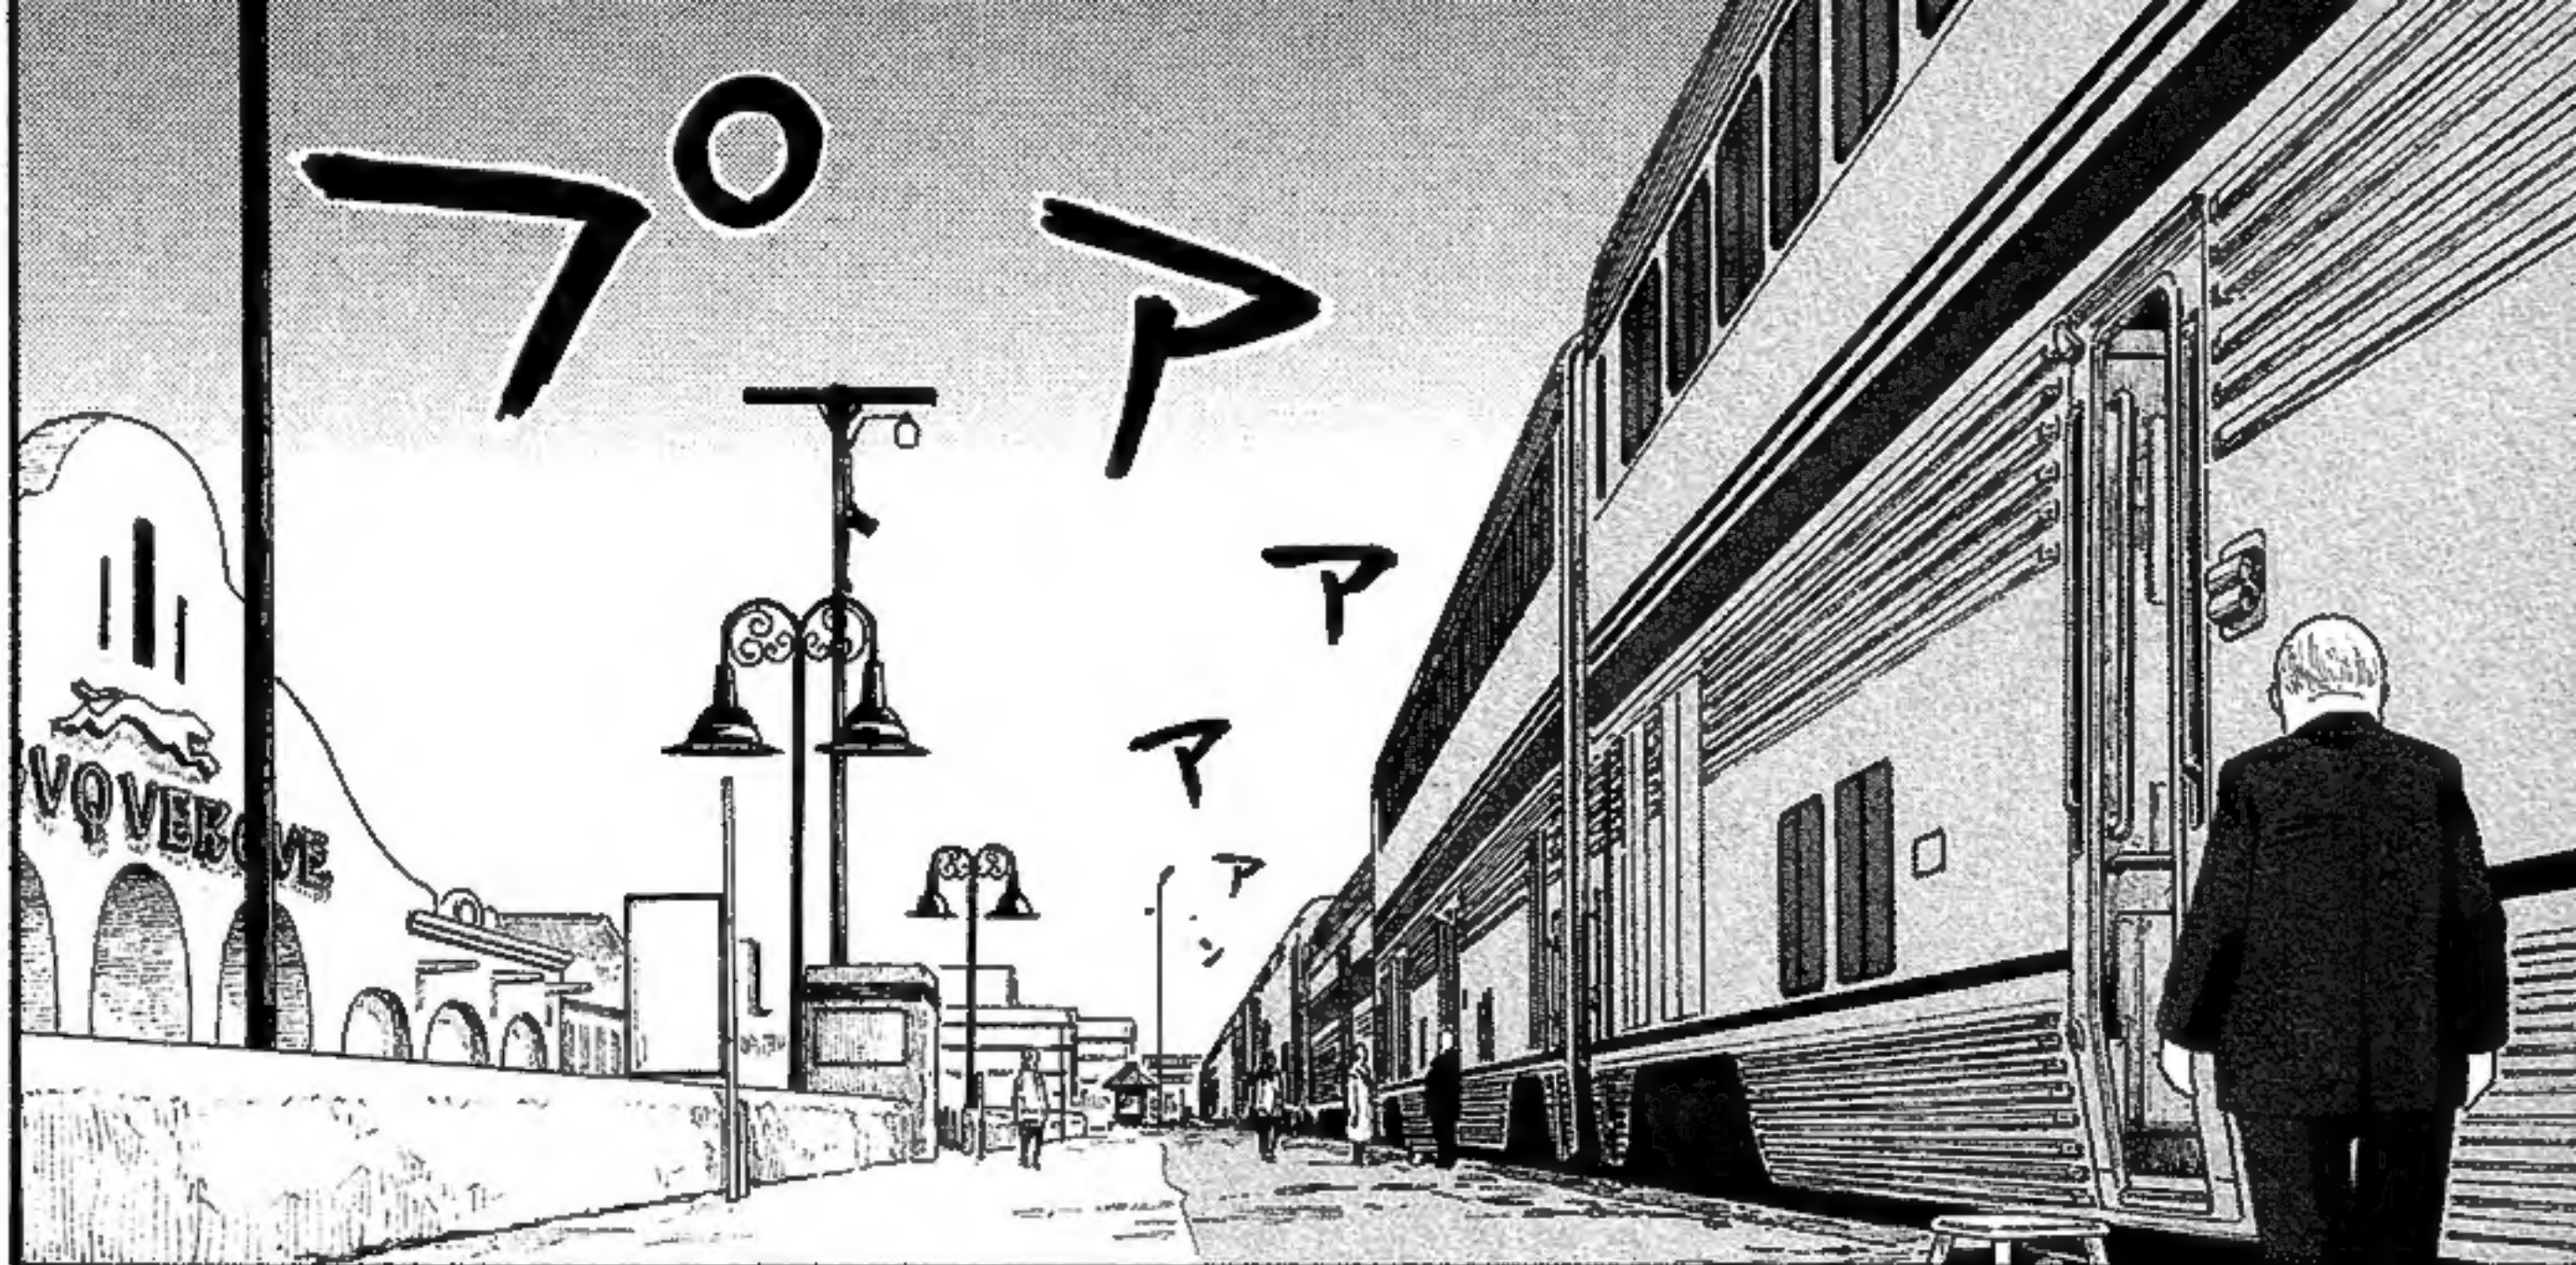

Even if it costs more, he can't quit smoking.

Is that similar to Bvlgari?

Takuma Kawahama

He grew up abroad, although now someone like this is apparently called a return student. Do they have to be a student?

Tadayasu Sawaki

The unsuspecting second-born son still doesn't know where he is.

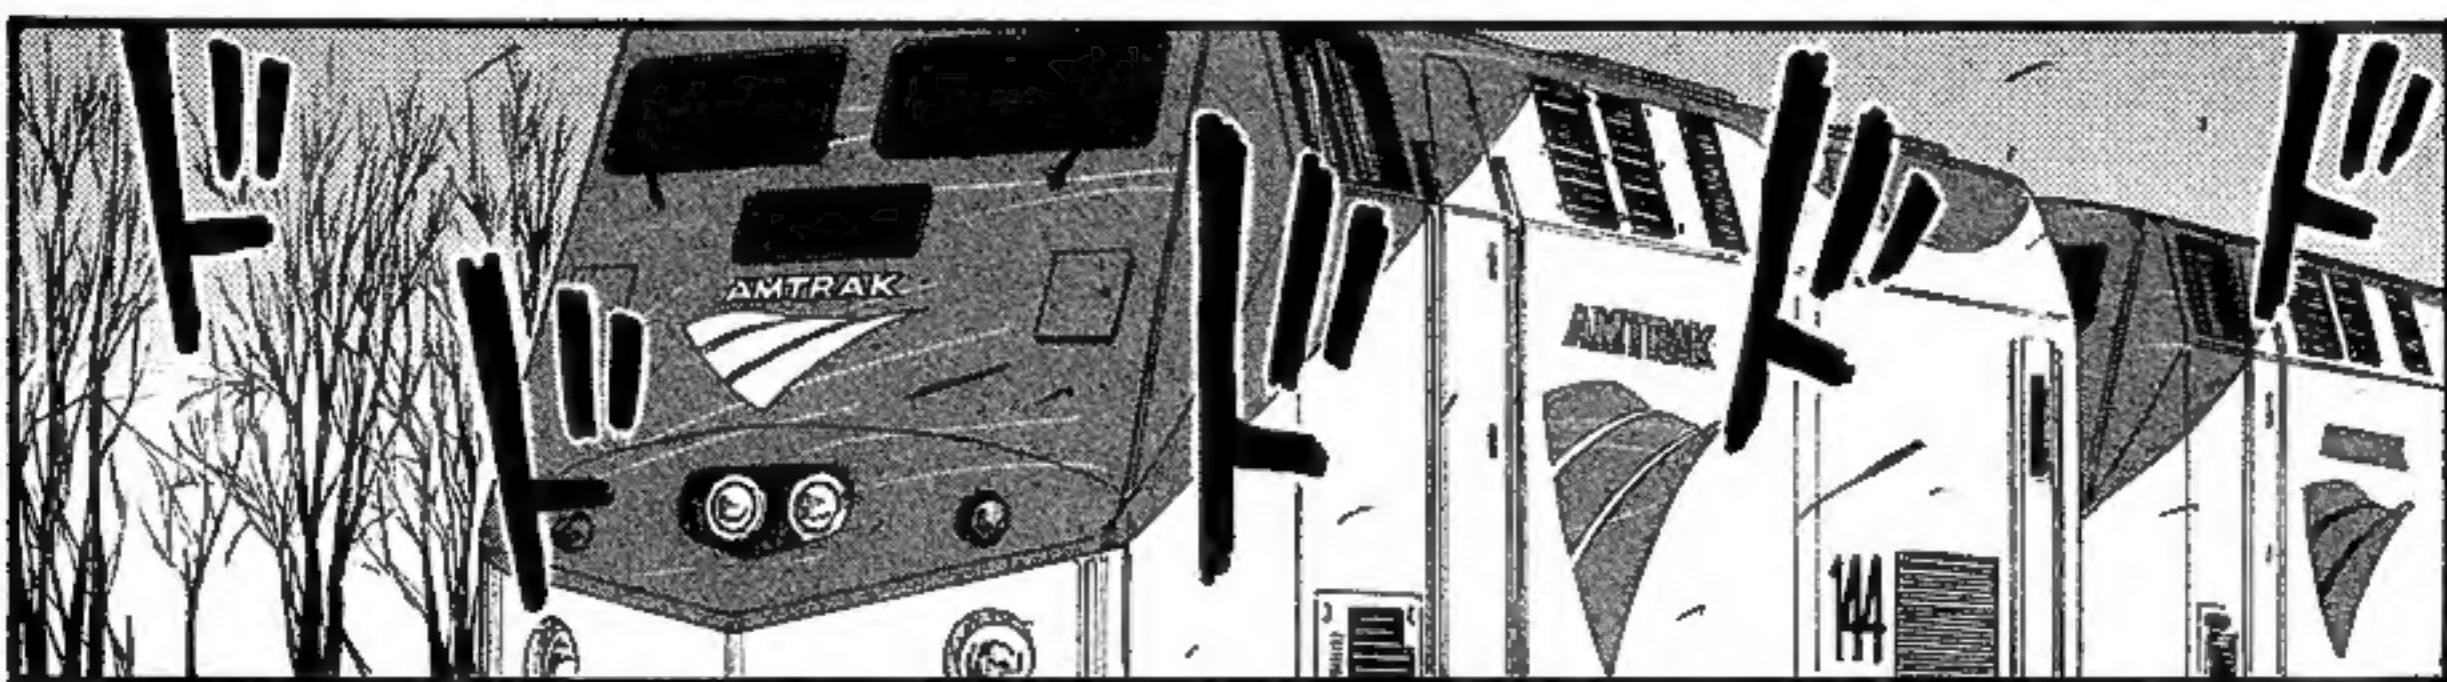

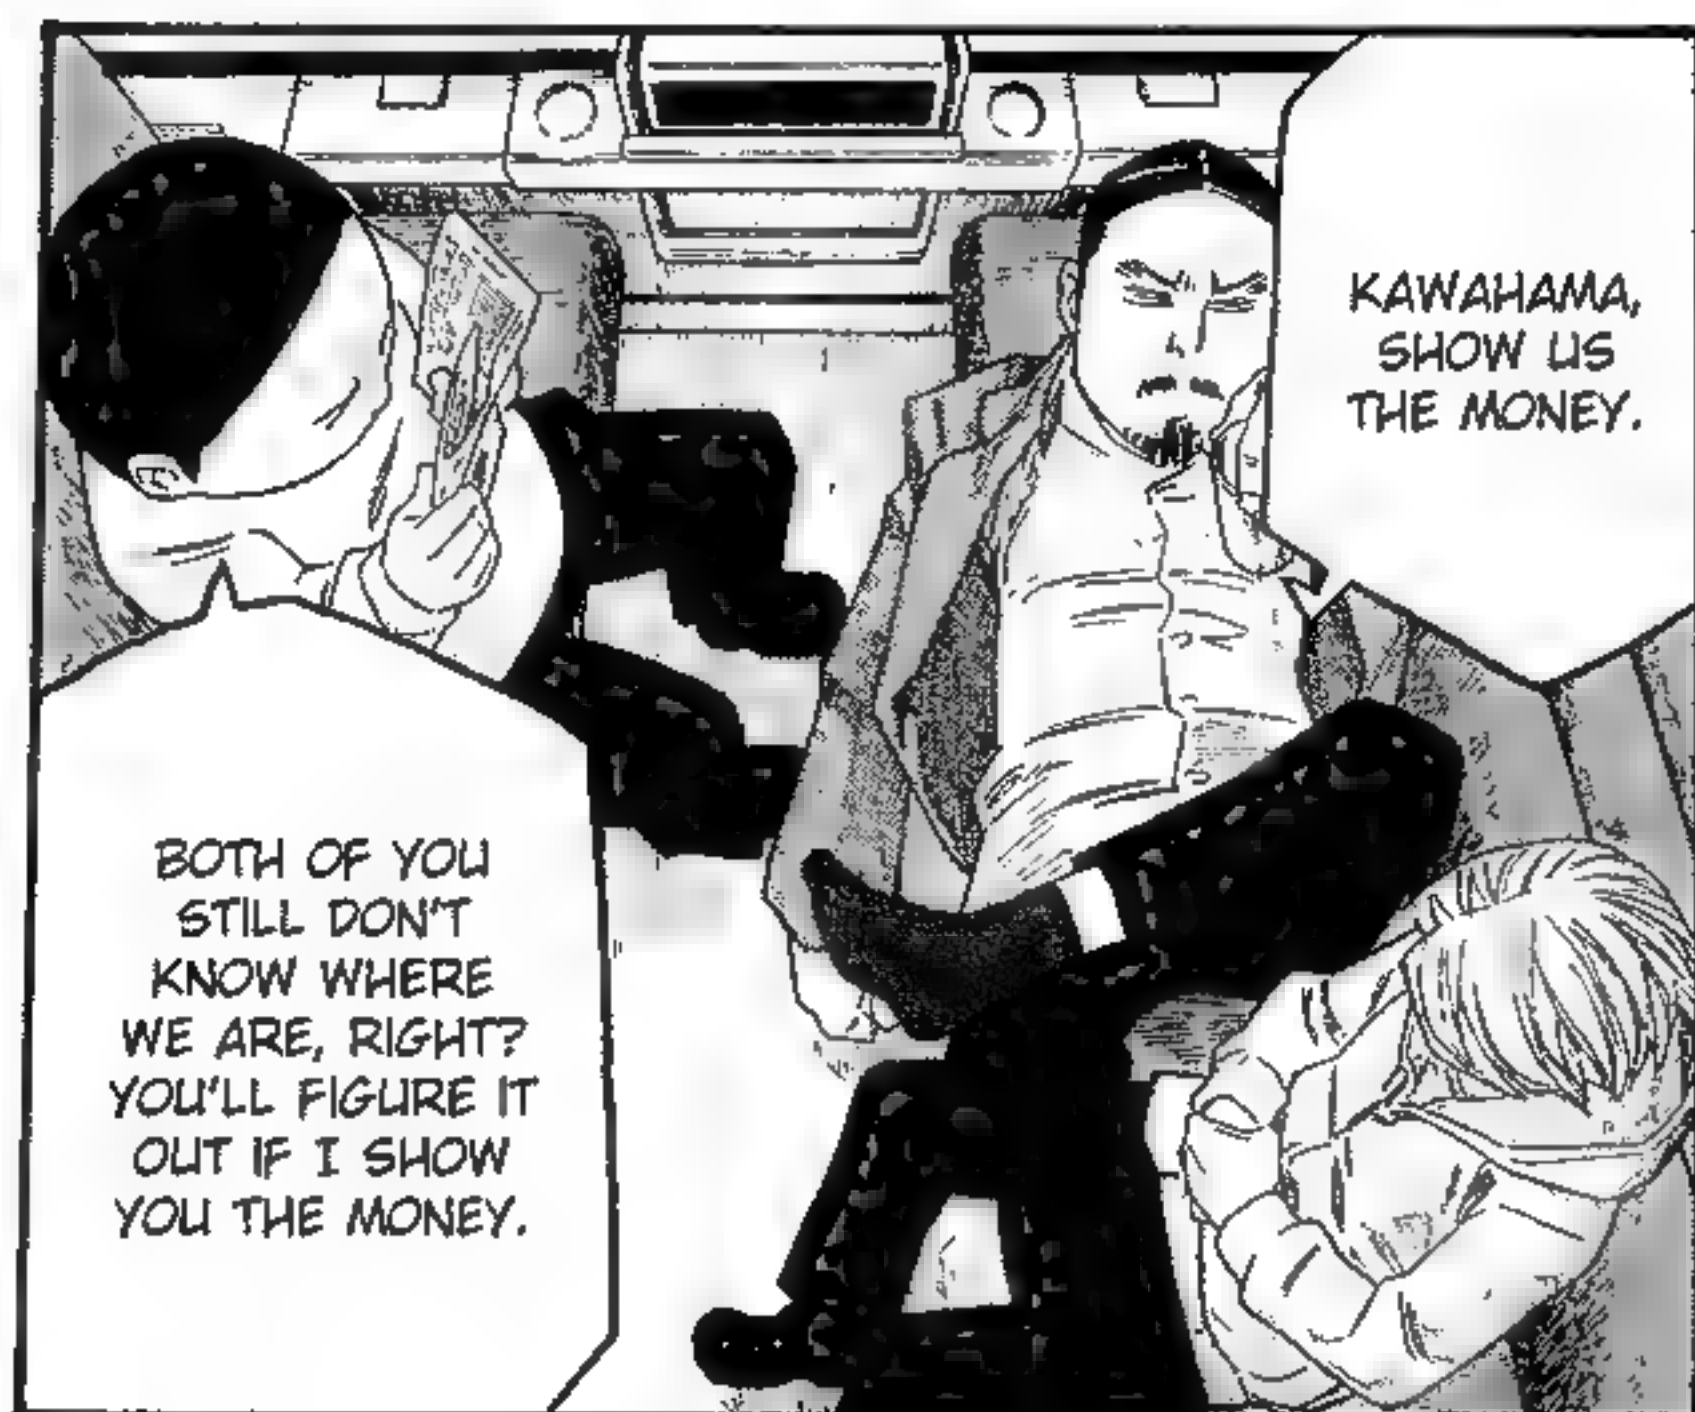

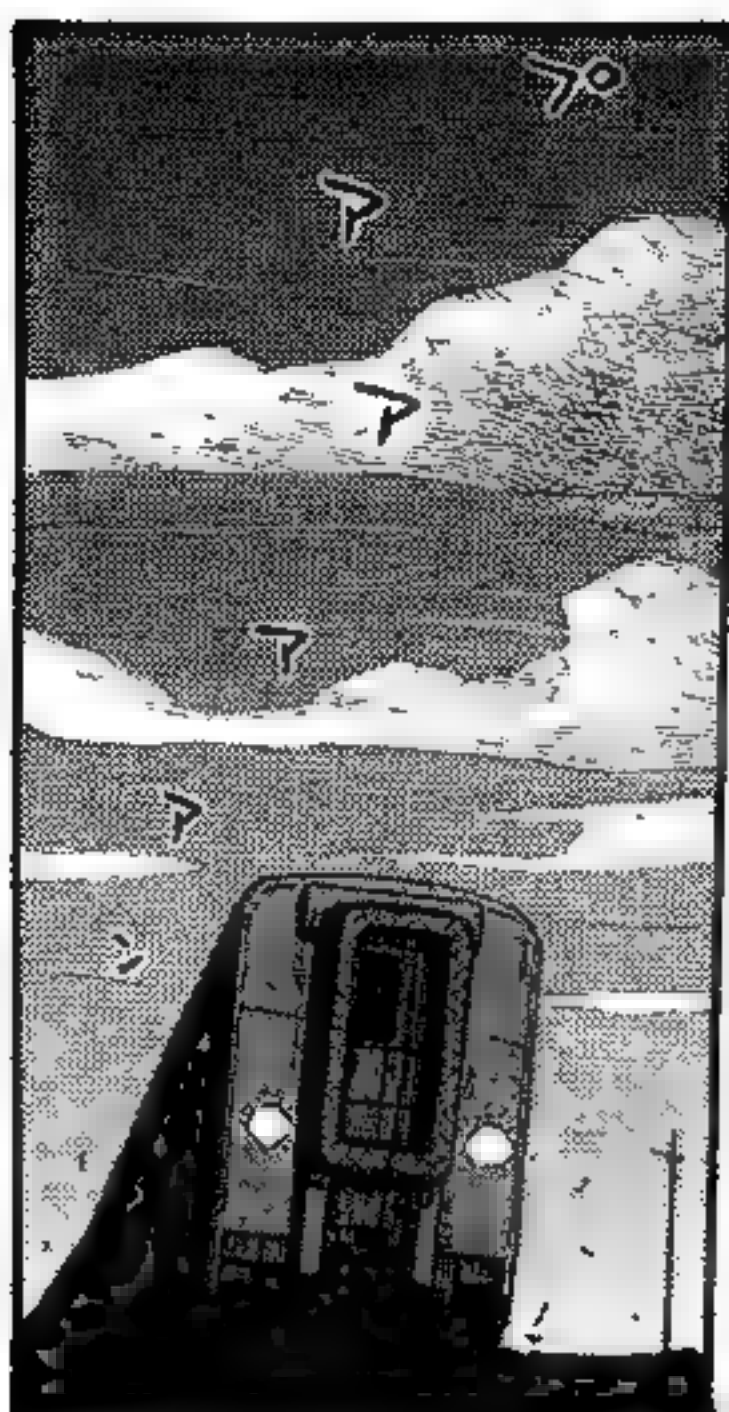

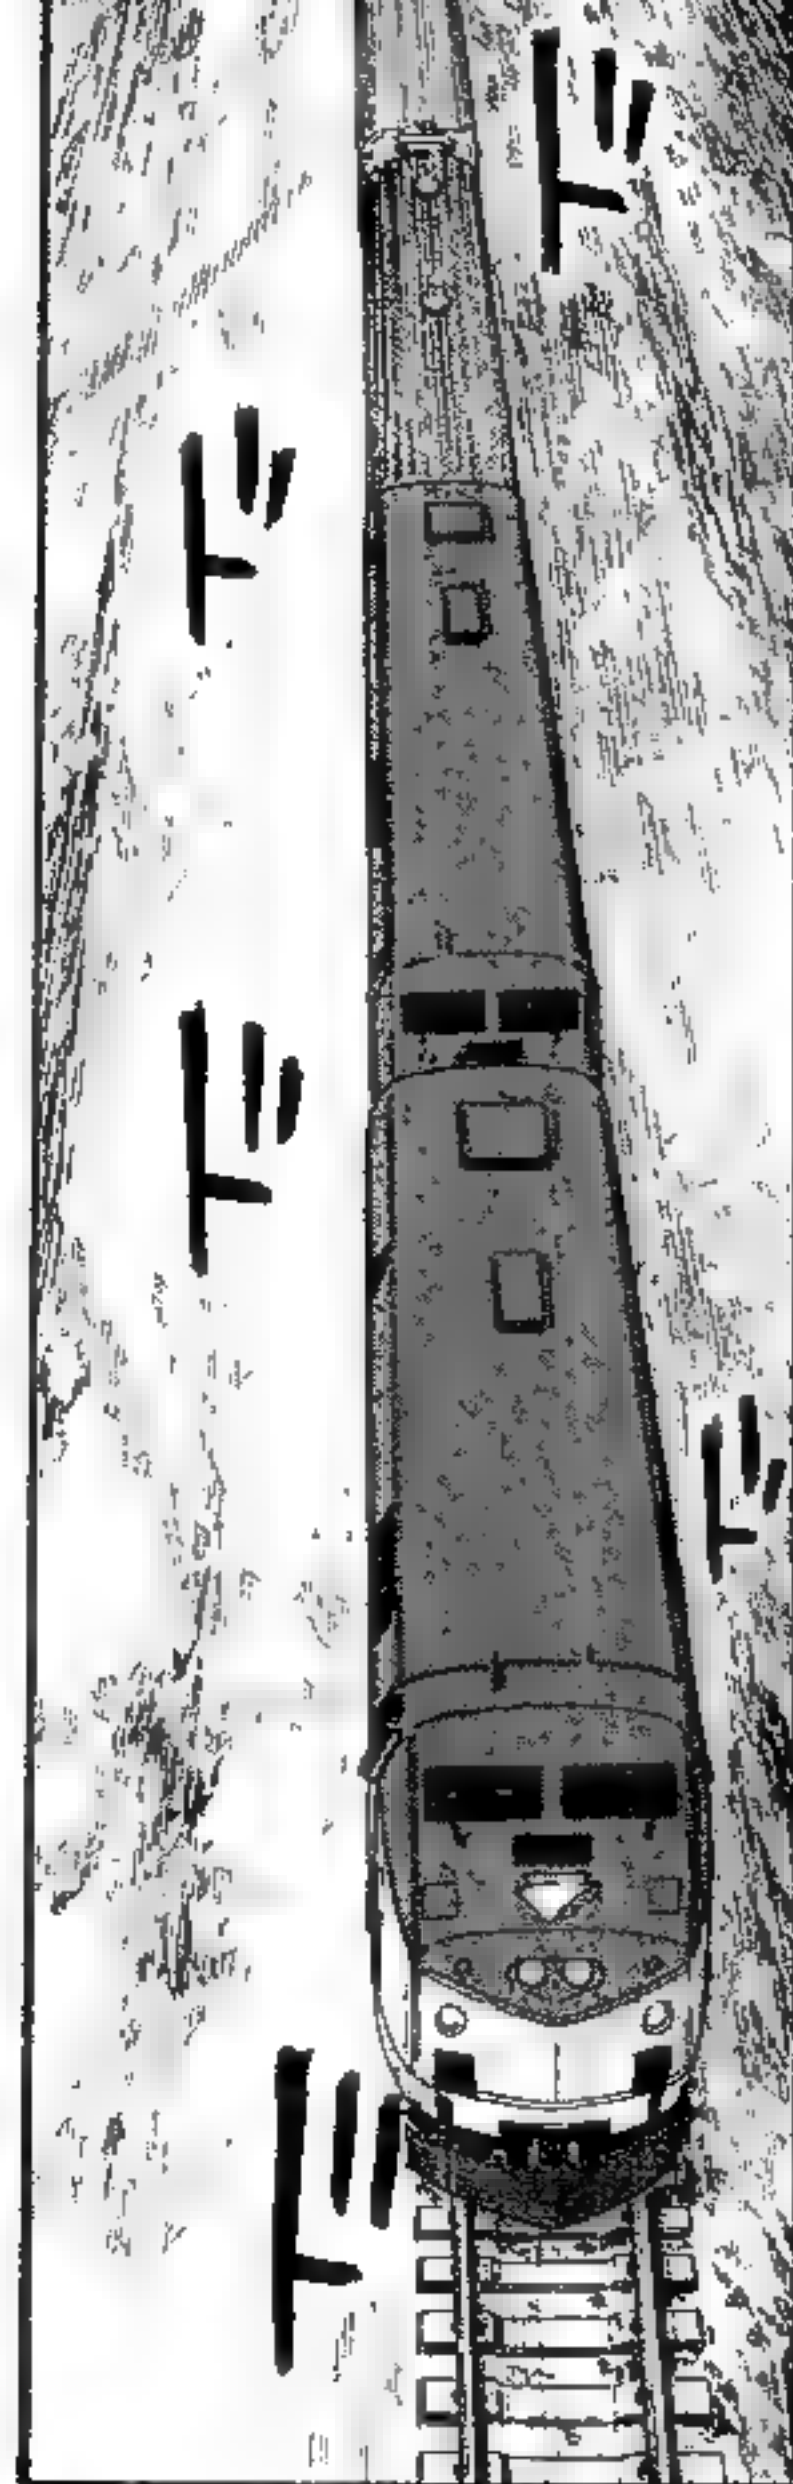

T. rubrum

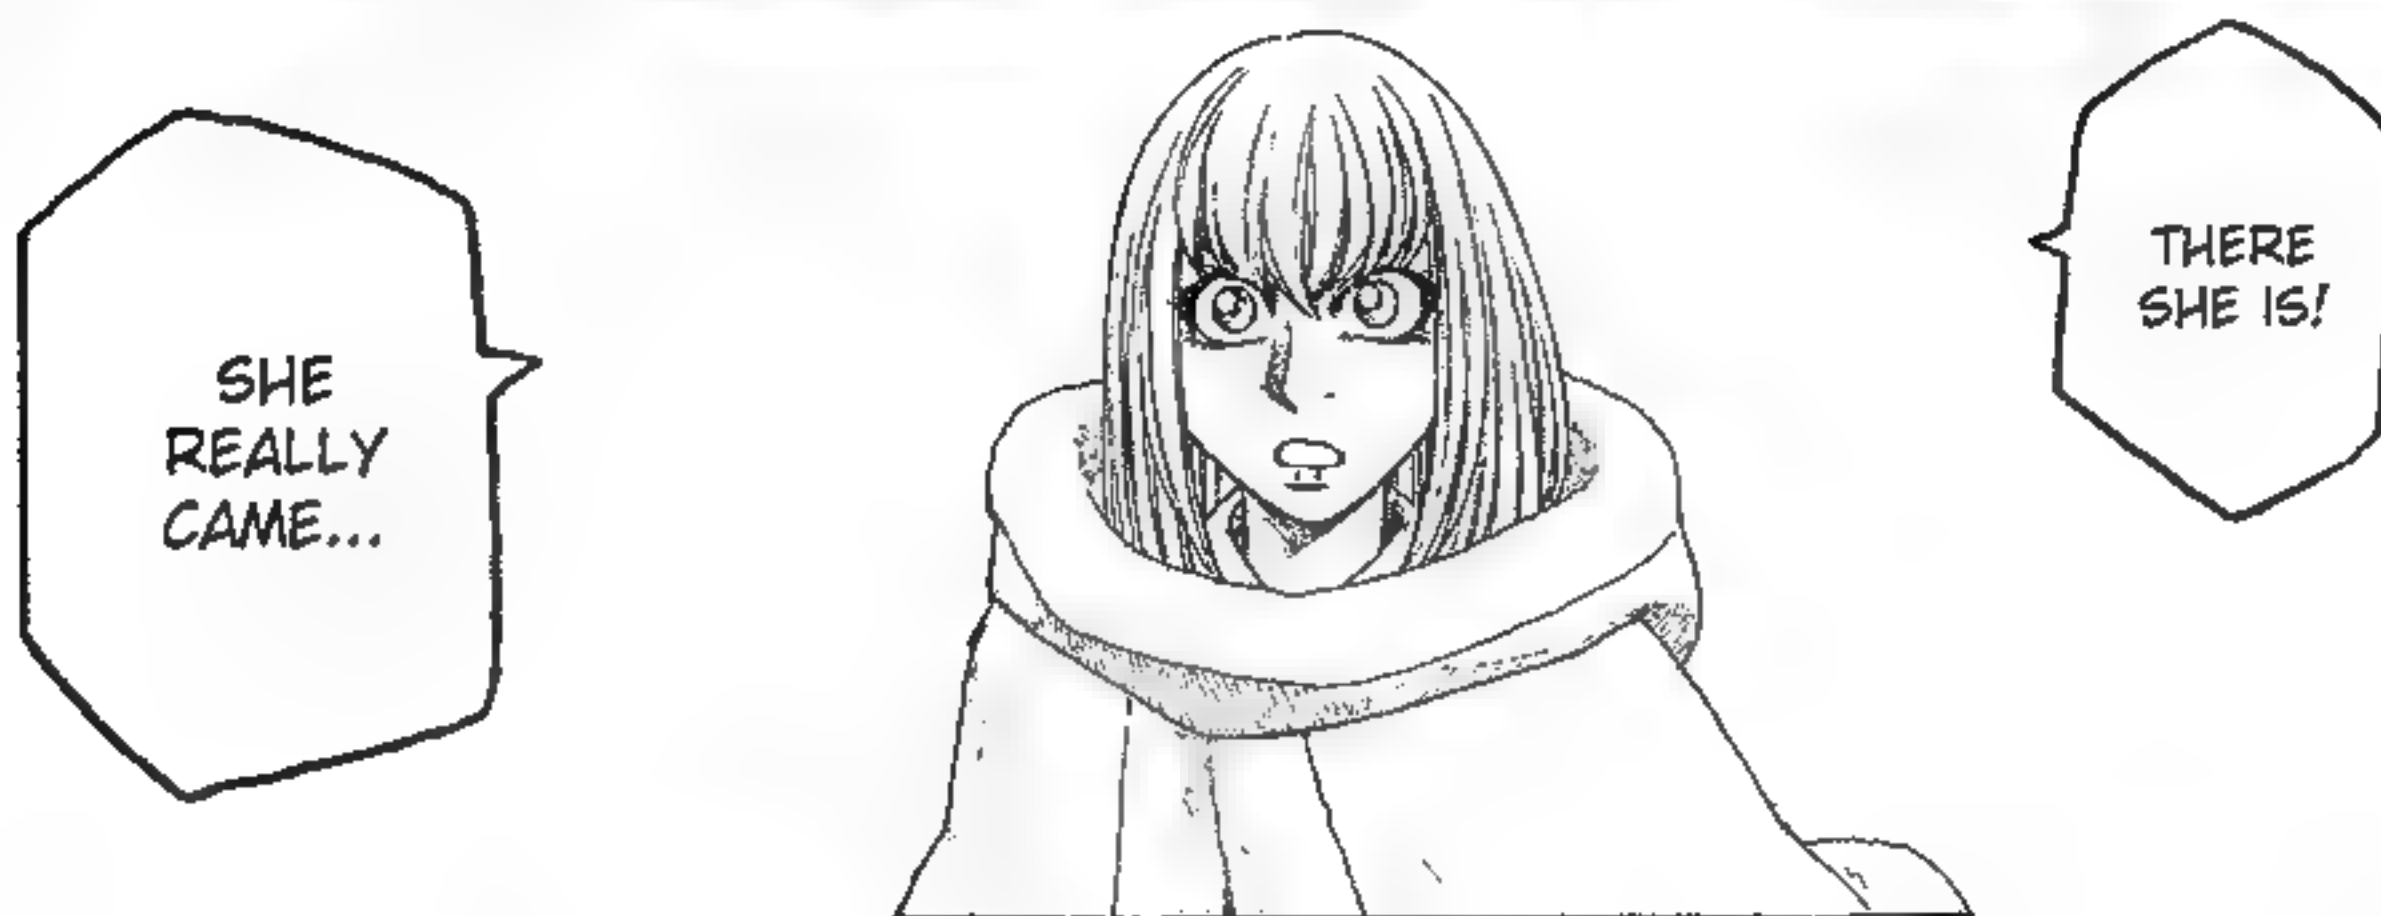

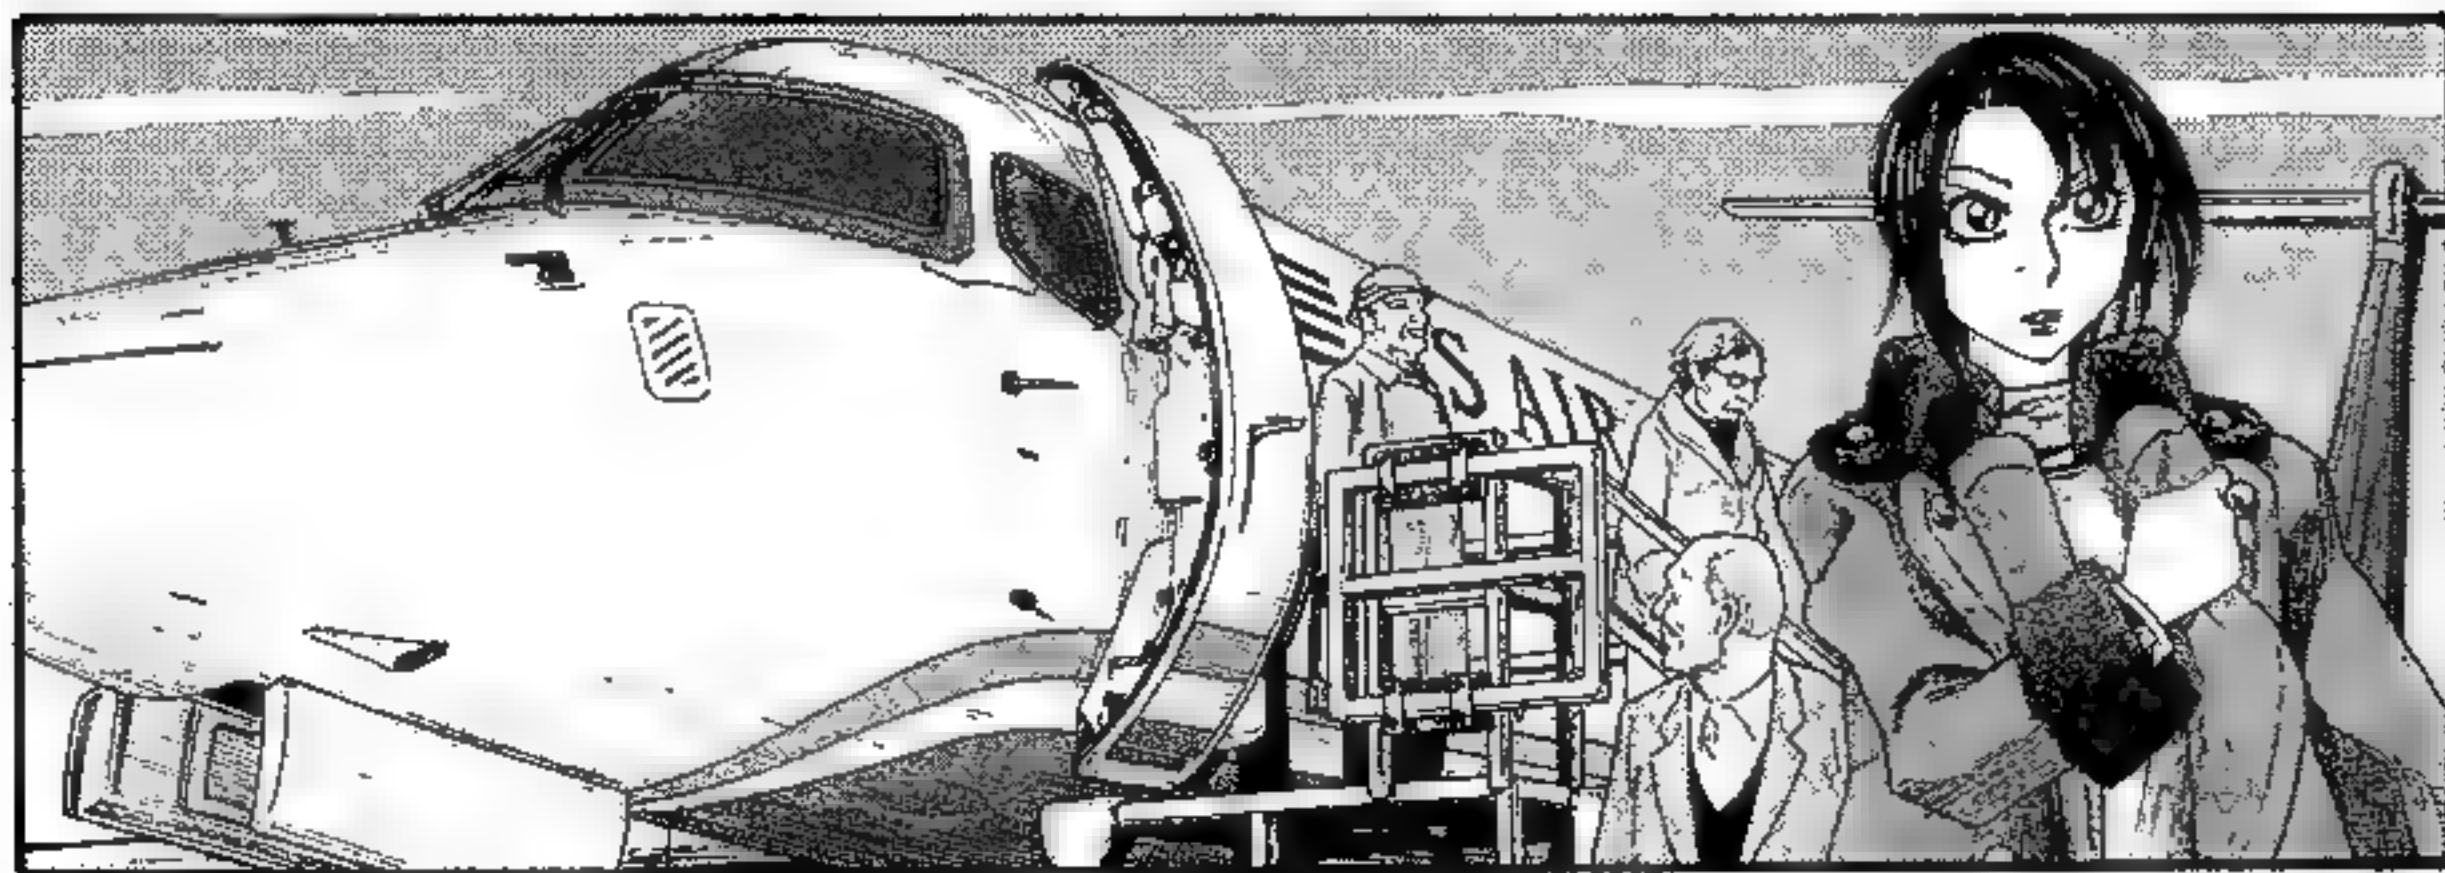

This is a Trichophyton fungus that causes athlete's foot, so be careful.

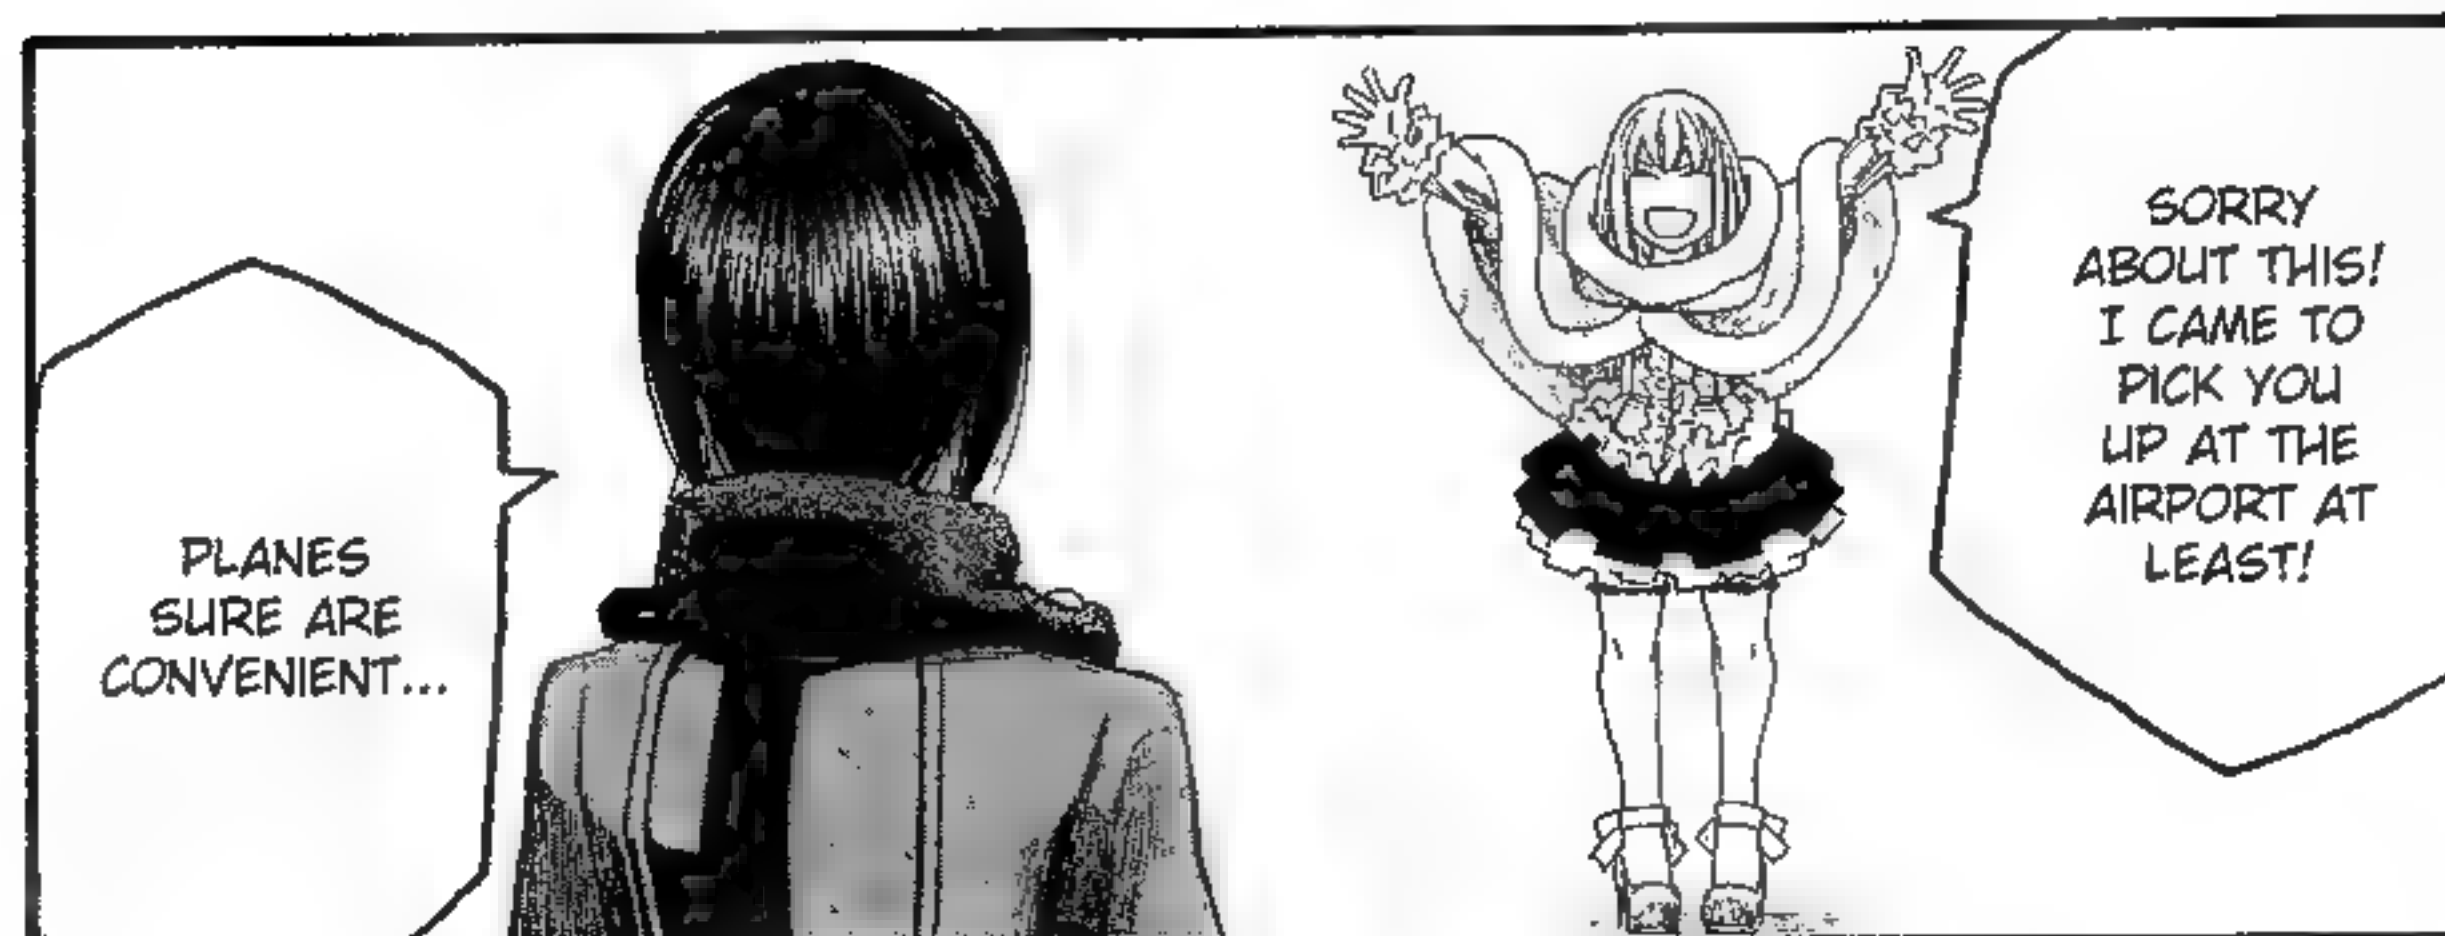

SHE  
REALLY  
CAME...

THERE  
SHE IS!

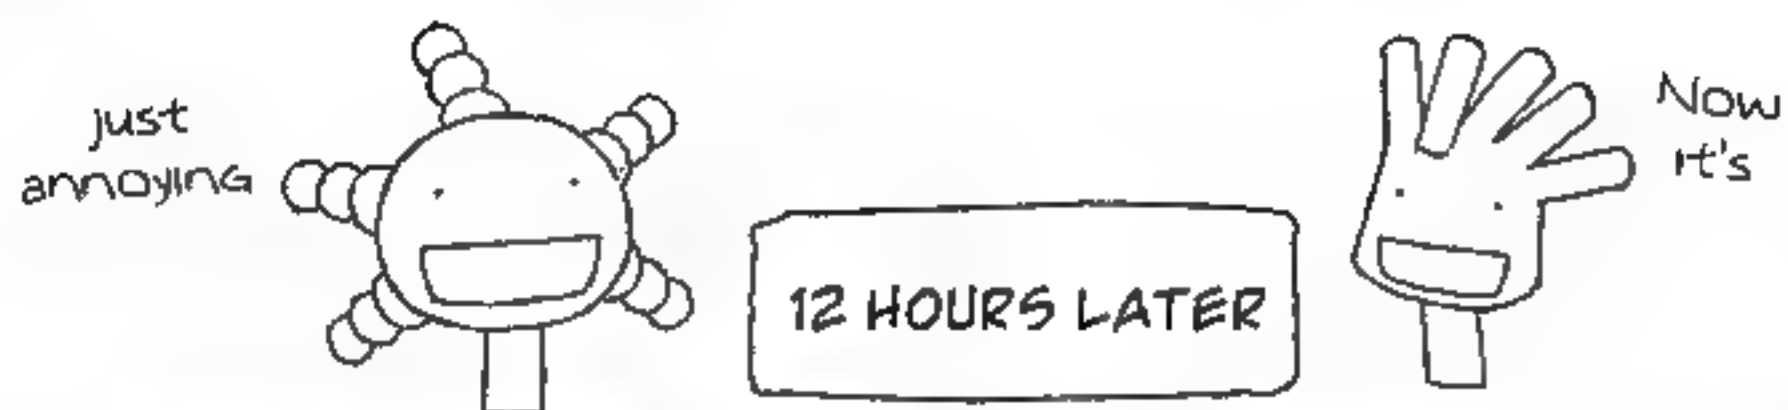

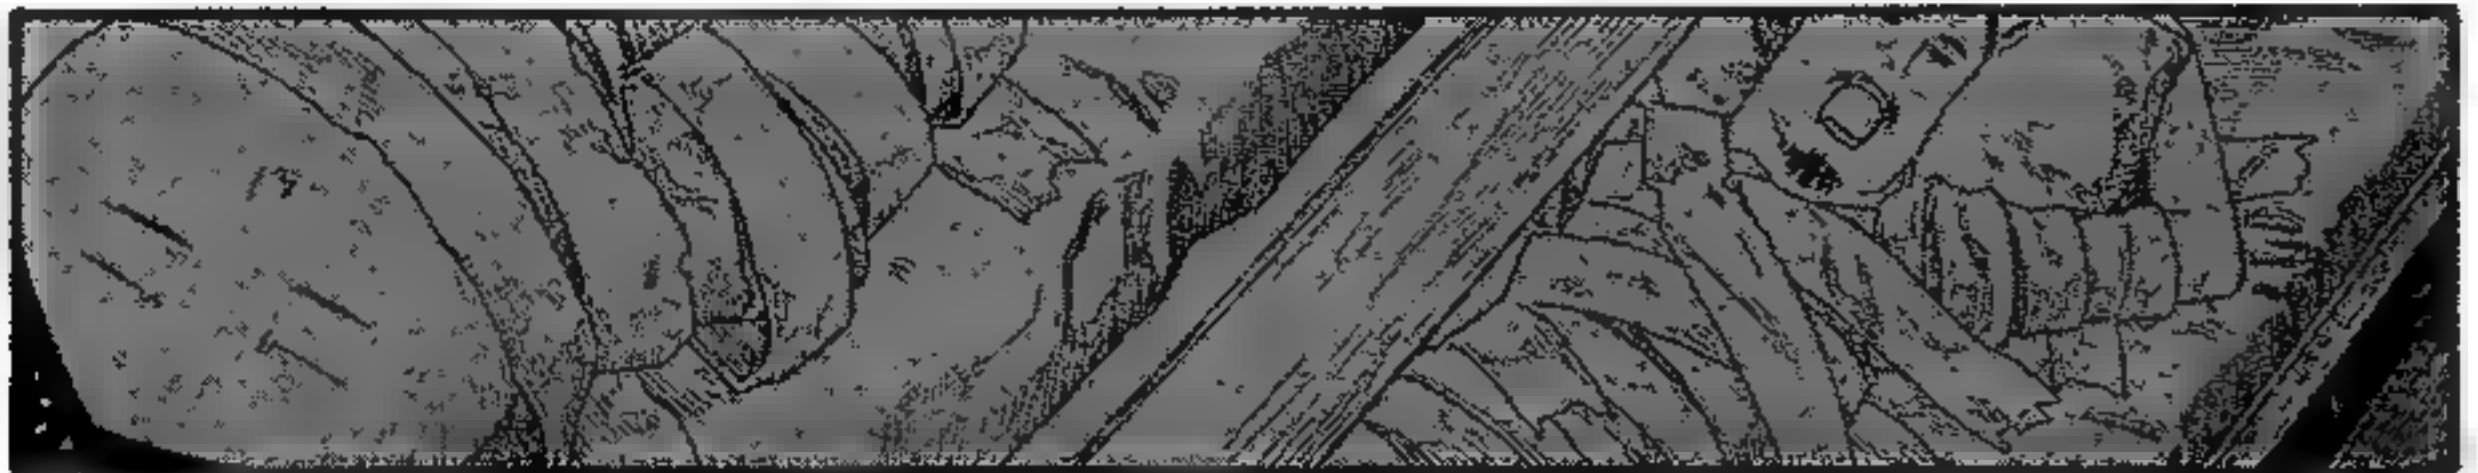

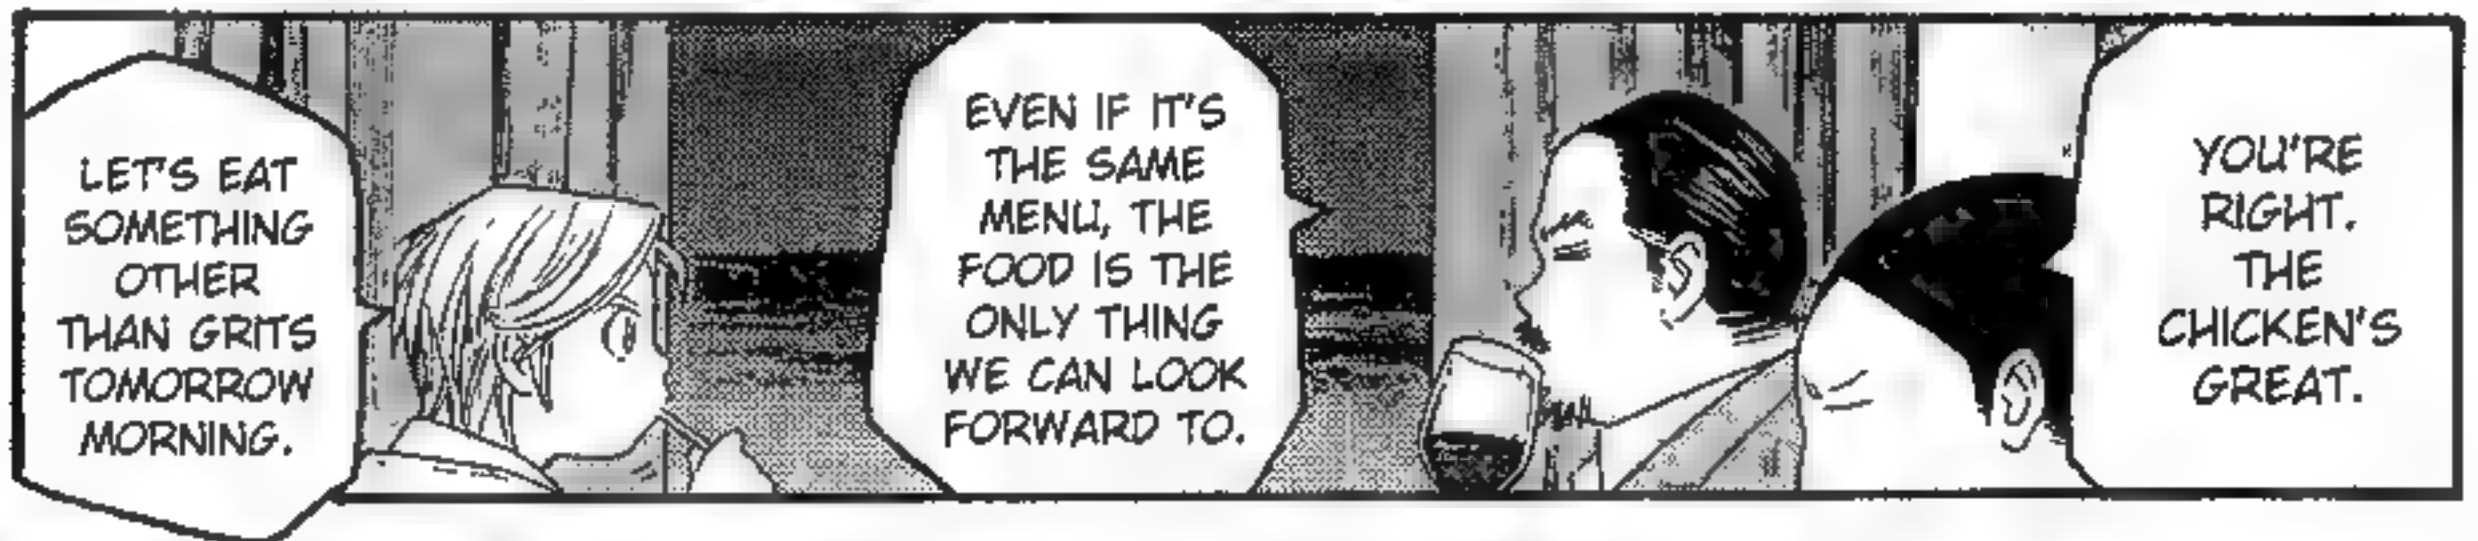

PLANES  
SURE ARE  
CONVENIENT...

SORRY  
ABOUT THIS!  
I CAME TO  
PICK YOU  
UP AT THE  
AIRPORT AT  
LEAST!

Marie  
She's a  
French girl  
dressed as a  
white goth.  
She's the one  
who caused  
the turmoil  
this time

SO I WENT  
TO THE  
BATHROOM  
BELOW US.

THAT TOILET  
WAS FILLED  
WITH ICE,

ONE OF  
THE TRAIN  
STAFF

Shrr

THREW THE  
LEFT OVER ICE  
FOR THE FREE  
DRINKS INTO  
THE TOILET.

SO I'M  
GONNA GO  
TO THE  
BATHROOM,  
TOO.

IT LOOKS LIKE  
WE'LL ARRIVE  
IN ABOUT  
AN HOUR,

IT  
STINKS...

...

EVEN IF  
THAT'S THE  
CASE, THIS  
IS WAY  
WORSE THAN  
NORMAL!

THE  
BATHROOMS  
AND GUEST  
ROOMS MUST  
SHARE THE  
SAME AIR  
DUCTS!

IT  
REEKS  
IN HERE!

  
E. coli  
This  
is colon  
bacteria.

IT'S  
RIGHT  
OVER  
THERE!

ISN'T THIS  
COMING  
FROM THE  
BATHROOM  
WITH THAT  
ICE THEY  
THREW  
AWAY!?

Toilet  
Shower

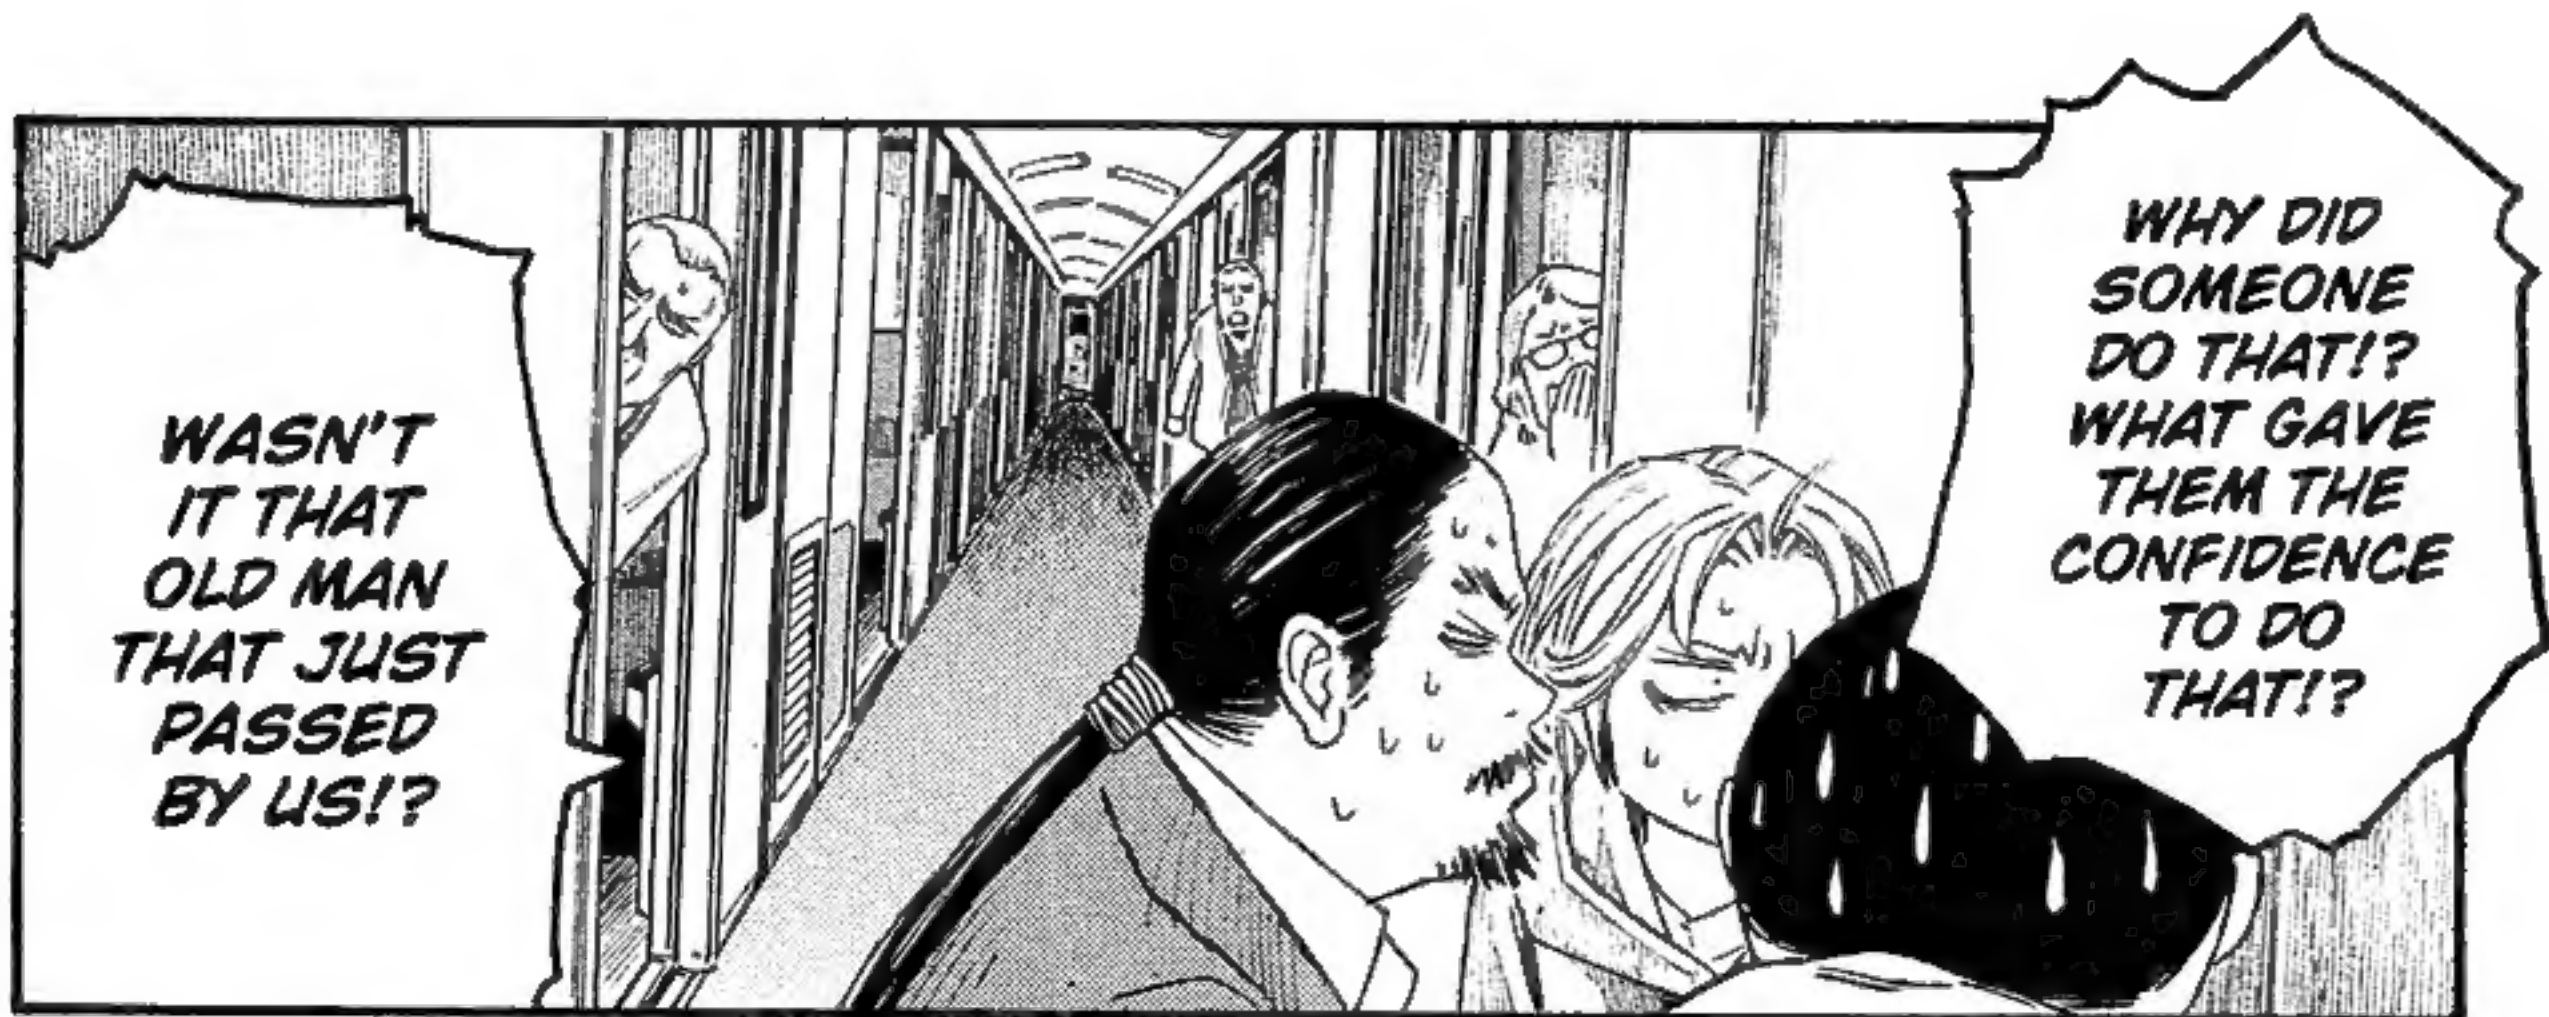

I THOUGHT  
ABOUT THIS  
THE WHOLE  
TIME, BUT  
DOESN'T IT  
SOMETIMES  
SMELL BAD  
IN HERE!?

DON'T  
OFFER UP A  
CHOCOLATE-  
COVERED  
SNOW  
CONE!

WHO  
THE  
HELL  
DID  
THIS!?

WASN'T  
IT THAT  
OLD MAN  
THAT JUST  
PASSED  
BY US!?

WHY DID  
SOMEONE  
DO THAT!?  
WHAT GAVE  
THEM THE  
CONFIDENCE  
TO DO  
THAT!?

STOP  
AT THE  
STATION  
ALREADY!  
IT STINKS!

THIS  
IS SUCH  
A CRUDE  
COUNTRY!

WE'LL HAVE  
TO CHANGE  
TRAINS RIGHT  
AFTER WE  
ARRIVE,  
THOUGH...

Sorry about this, but the chocolate-covered snow cone is from when we went to gather information.
